MOTHER'S DAY

BENEFITING

The Homeless Families Foundation

NoShowMothersDay.org

The 4th annual No Show Mother's Day Gala is unlike any other event. Instead of renting a tux, buying a dress and finding a babysitter, participants donate the expenses they would normally spend on a night out and enjoy a night in at home while helping to support HFF's mission.

{ THE EVENT IS IMAGINARY }

THE NEED IS REAL

Please consider becoming a No Show Gala Sponsor. 100% of your sponsorship will support the programs so urgently needed by homeless, at risk children and their families. Thanks to partners like you, HFF has been able to make a real impact to end homelessness in Central Ohio.

HFF serves 250 families, including 600+ children yearly.

238 students receive educational services from the HFF Dowd Center.

HFF provided 17,982 meals during afterschool and summer programs.
