

Looking for Ways to Give Back?

We are looking for new members to join the Hope Squad, The Homeless Families Foundation's elite group of passionate volunteers. The objectives of the Hope Squad are to: help raise funds and awareness by actively planning HFF's signature fundraisers and events; expanding HFF's volunteer base; and educating others about breaking the cycle of homelessness.

How it works:

- 10-12 members will be selected for the Hope Squad to help plan, coordinate and execute HFF's largest fundraising events
- Committee members will meet 10-12 times annually
- Two-year commitment is required (calendar year)
- Members that play a larger role in one event can take a smaller role in other events
- All prospective members will be required to fill out an online membership application, which will be reviewed and approved by the Membership Recruitment Committee
